

CURRICULUM VITA

Wendy Anne Law

E-mail: drlawwork@earthlink.net

Personal Information

Work Address: The Stixrud Group
8720 Georgia Avenue, Suite 300
Silver Spring, MD 20910

Educational Background

- 1991 - Pres.** Licensed Psychologist, Maryland
- 1989** Ph.D., Psychology (Clinical, APA approved)
University of New Mexico
Albuquerque, NM 87131
- 1988** Doctoral Dissertation Defense
“Depression-mediated cognitive changes with normal and closed head injury
populations: General attentional versus specific right hemisphere mechanisms”
- 1987 – 1988** Clinical Psychology Internship, Washington, DC VAMC (APA approved)
- 1983** M.A., Psychology (Experimental, Physiological Psychology)
“Amphetamine-induced recovery of a multiple fixed-ratio, fixed interval operant
reinforcement schedule following unilateral suction ablation motor cortex injury
in rats”
University of New Mexico
Albuquerque, NM 87131
- 1976** B.A., Music History (Minor: Philosophy)
Wells College
Aurora, New York 13026

Academic Appointments

- 1994 - Pres.** Adjunct Assistant Professor
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1992 – Pres.** Research Assistant Professor
Department of Psychiatry (secondary)
Uniformed Services University of the Health Sciences
Bethesda, MD

Service Awards

- 2006** 10-year Federal Service Pin
2004 Outstanding Service Medal
Department of Medical and Clinical Psychology
Uniformed Service University of the Health Sciences

Clinical Professional Background

- 2011 – Pres.** Staff Neuropsychologist
Neuropsychological Assessment Division
Department of Psychology
Walter Reed National Military Medical Center
8901 Wisconsin Avenue
Bethesda, Maryland 20889
- 2009 – 2011** Staff Neuropsychologist
Psychological Health and Traumatic Brain Injury Department
National Naval Medical Center
8901 Wisconsin Avenue
Bethesda, Maryland 20889
- 1996 - Pres.** Clinical Psychologist, Neuropsychology
William Stixrud PhD and Associates
8720 Georgia Ave., Suite 300
Silver Spring, MD 20910
- 1994 - Pres.** Clinical Psychologist - Consultant
Law Enforcement Assessment Center
616 Charles St, Suite 106
La Plata, MD 20646
- 1991 - 2011** Consultant Psychologist, Department of Psychology
Walter Reed Army Medical Center
6900 Georgia Ave, N.W.
Washington, DC 20307-5001
- 2008 – 2009** Director of Training, Psychology Internship Program
Defense and Veterans Brain Injury Center
Department of Neurology
Walter Reed Army Medical Center
Washington, DC 20012
- 2006 – 2009** Clinical Neuropsychologist
Defense and Veterans Brain Injury Center
Department of Neurology
Walter Reed Army Medical Center
Washington, DC 20012

- 2002 - 2007** Clinical staff privileges &
1992 – 1997 Command Consultant, Psychology
National Naval Medical Center
Bethesda, MD 20814
- 1997** Consulting Medical Staff - Eastern Neuro Rehabilitation Hospital
Silver Spring, MD
- 1997** Facilitator, Chronic Pain Support Group (Failed Back Surgery population)
Center for Physical Medicine and Rehabilitation
Rockville, MD
- 1996 - 2006** Director, Clinical Practicum/Clerkship Training
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD 20814
- 1996 - 1998** Consulting Medical Staff
Charter Behavioral Health System of Maryland at Potomac Ridge
14901 Broschart Road
Rockville, MD 20850
- 1994 - 1998** Clinical Psychologist, Neuropsychology
Contemporary Psychiatric Services
5920 Hubbard Drive
Rockville, MD 20852

Predoctoral Clinical Experience

- 1987 - 1988** APA Clinical Psychology Internship (full time):
VAMC Psychology Service-116B
50 Irving St.
Washington, D.C. 20422
- 1983 - 1985** Neuropsychology Technician (10 - 15 hours/week) – Independent Practice office
Supervisor: John M. Rhodes, Ph.D., ABPP (deceased)
Albuquerque, New Mexico
- 1982 - 1983** Neuropsychology Externship (20 hours/week) - VAMC Neuropsychology
Supervisor: Kathleen Y. Haaland, Ph.D., ABPP
2100 Ridgecrest Blvd.
Albuquerque, New Mexico 87108
- 1982 - 1983** Residential Advisor/Crisis Counselor (20 hours/week)
Domestic Violence Shelter, Women's Community Center
Albuquerque, New Mexico

Scientific Research Activities

- 2011 –** Collaborator
Brain Indices of Risk for Posttraumatic Stress Disorder after Mild Traumatic Brain Injury
(Principle Investigators: Study - Connie C. Duncan, PhD; WRNMMC Site- Louis M. French, PsyD)
- 2008 – pres** Associate Investigator
Traumatic Brain Injury (TBI) and Substance Use Disorders Among Injured Soldiers
(Principle Investigator: Louis M. French, PsyD)
- 2006 – pres** Associate Investigator
The ViRTICo-BP Trial: Virtual Reality Therapy and Imaging in Combat Veterans with Blast Injury and Posttraumatic Stress Disorder
(Principle Investigator: Michael J. Roy, MD, MPH)
- 2000 - 2004** Investigator
Randomized, placebo-controlled multi-center study to assess the safety of combination preventive treatment with pyridostigmine, DEET, and permethrin
(Principle Investigator: Michael J. Roy, MD, MPH)
- 2000 – 2001** Investigator/Advisor
Neurobehavioral Contributions to Explosive Ordnance Disposal (EOD) Training Outcome
(Principle Investigator: Mark Bates, MS)
- 1999 – 2001** Investigator/Advisor
A Risk Factor Model that Predicts the Relationship between Stress and Performance in Explosive Ordnance Disposal Training
(Principle Investigator: Mark Bates, MS)
- 1995 - 1996** Principal Investigator
Assessment of barriers to local education
in the United States Navy HIV Education Program
Evaluation Survey Research Study
Navy Medical HIV Program, Navy Bureau of Medicine and Surgery Code 02H
National Naval Medical Center
Bethesda, MD
- 1994 - 1996** Senior Research Psychologist (Neuropsychology), Behavioral Prevention Program
Henry M. Jackson Foundation
Rockville, MD 20852

- 1993 - 1994** Associate Investigator, Behavioral Prevention Program
Phase 1 study of Alferon N Injection in persons
with asymptomatic HIV infection
Henry M. Jackson Foundation
Rockville, MD 20852
- 1992 - 1994** Associate Investigator, Behavioral Prevention Program
Neurobehavioral effects of early immunodeficiency
virus infection: Foundations for study of
military aviator performance
Henry M. Jackson Foundation
1 Taft Ct, Suite 250
Rockville, MD 20852
- 1990 - 1994** Research Neuropsychologist
/Neuropsychology Coordinator: Behavioral Prevention Program
HIV Research, DC area sites (Walter Reed Army
Medical Center and National Naval Medical Center)
Henry M. Jackson Foundation
Rockville, MD 20852
- 1988 - 1990** Associate Investigator: Behavioral Prevention Program
Neurobehavioral Consequences of HIV Infection
Henry M. Jackson Foundation
1 Taft Ct, Suite 250
Rockville, MD 20852
- 1988 - 1990** Research Psychologist
Henry M. Jackson Foundation
Walter Reed Army Medical Center
6825 16th St. N.W.
Washington, D.C. 20307-5001
- 1985 - 1987** Neuropsychological Testing Supervisor
Maryann Thompson, Ph.D., Chief Neuropsychologist
Vietnam Experience Study/Agent Orange Validation Study
Lovelace Medical Foundation
5100 Gibson Blvd. S.E.
Albuquerque, New Mexico 87108

Academic and Clinical Teaching Experience

- 2010 – pres** Clinical Supervision
Clinical Psychology Internship program
National Naval Medical Center
Bethesda, MD
- 2007 – pres.** Invited Lecturer (Providing regular didactic and experiential training for military mental health providers on the topics of deployment, with emphasis on traumatic brain injury, and neuropsychological assessment – see selected seminars below)
Center for Deployment Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD.
- 2000 - pres** Principles of Learning (Intermittent Course Director)
Core curriculum course, Medical and Clinical Psychology Ph.D. Programs
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1999 – pres** Clinical Supervision, Clinical Neuropsychology
Clinical Neuropsychology Postdoctoral fellowship program
Walter Reed Army Medical Center
Washington, DC
- 2007 – 2009** Clinical Psychology Assessment seminar
Clinical Psychology Internship Program, Department of Psychology
Walter Reed Army Medical Center
Washington, DC
- 2006** Clinical Psychology Assessment Workshop (Two-week training and orientation)
Clinical psychology interns - Walter Reed Army Medical Center
Department of Psychology
Walter Reed Army Medical Center
Washington, DC
- 2000** Clinical Supervision, Clinical Neuropsychology/Behavioral Medicine
Predoctoral internship program
Behavioral Medicine Program
University of Maryland School of Medicine
Baltimore, MD
- 1998 - 2001** Introduction to the WAIS-III
Clinical Psychology Internship, Assessment Training Seminar
Department of Psychology
Walter Reed Army Medical Center
Washington, DC

- 1997- 2000** Neurobehavioral Testing, Part I/II
Selected Topics in Occupational and Environmental Health
Seminars for Occupational Medicine Residents (Guest Lecturer)
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1996 – 2006** Introduction to Neuropsychology (Graduate students: Ph.D. programs)
Elective course
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1995 – 2008** Clinical supervision, Assessment Practicum (Graduate students)
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1995 - 2006** Clinical Assessment: Adults I/II (Graduate students: Psychology, Clinical)
Core curriculum courses, APA accredited Clinical Psychology Ph.D. Program
Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1995 - 2005** STIs and HIV/AIDS
Medical Psychology Lecture
1st year medical students, F. Edward Hebert School of Medicine
Uniformed Services University of the Health Sciences
Bethesda, MD
- 1995 - 2001** Neurobehavioral Research in HIV/AIDS
Medical Psychology Lecture
1st year PhD graduate students, Department of Medical and Clinical Psychology
Uniformed Services University of the Health Sciences
Bethesda, MD

Recent Presentations

- 2011** TBI in the U.S. Military during Operation Enduring Freedom (OEF) and
Operation Iraqi Freedom (OIF) 2003 -2005
Federal Interagency Conference on Traumatic Brain Injury
Washington, DC
- 2011** Current Research Directions and Innovations in Treatment with OIF/OEF Service
Members Reporting mTBI and Functional Symptoms
Armed Forces Public Health Conference
Deployment Healthcare Track
Hampton, VA

- 2011** Traumatic Brain Injury in Modern Warfare: Overview and Information Resources
Air National Guard Directors of Psychological Health
Orientation Conference
Clinton, MD
- 2011** Traumatic Brain Injury: General Overview and Specific Considerations in
Modern Warfare (co-presented with Carl Bradford, Ph.D.)
Workshop IV: Traumatic Brain Injury Sustained in Combat
Military & Behavioral Health Master's Certificate Program at Widener University
Chester, PA
- 2010** Mechanisms of Traumatic Brain Injury and its Relationship to the Emotional and
Neurocognitive Response to Trauma
International Society for Traumatic Stress Studies
Montreal, Canada
- 2010** Differential Diagnosis, Comorbidity, and Factors Complicating Outcome with
OIF/OEFF Service Members Reporting mTBI and PTSD Symptoms
Force Health Protection Conference
Phoenix, AZ
- 2009** Neuropsychological Evaluation and Testing in mTBI Assessment and Care
3rd Annual TBI Military Training Conference
Defense and Veterans Brain Injury Center
Washington, DC
- 2009** Mild Traumatic Brain Injury and Post Traumatic Stress Disorder
Traumatic Brain Injury
Staff Lecture Series
Defense and Veterans Brain Injury Center
Walter Reed Army Medical Center
Washington, DC
- 2009** TBI Overview: Mechanisms and Sequelae in the Era of OIF/OEF
Department of Medical and Clinical Psychology (Invited Seminar)
Uniformed Services University of the Health Sciences
Bethesda, MD
- 2009** Traumatic Brain Injury: An Overview, Its Consequences, and Coordinating Care
Workshop (8-hour) (co-presented with Ronald Riechers, MD)
*Addressing the Psychological Health of Warriors and Their Families: PTSD,
Depression and TBI*, Center for Deployment Psychology
Columbus, OH
- 2008** Mild TBI & Post Traumatic Stress Disorder
Education and training lecture (one hour) for civilian mental health providers
*Traumatic Brain Injury: An Overview, Its Consequences, and Coordinating
Care*, Center for Deployment Psychology
Rockville, MD

- 2008** Cognitive and Behavioral Consequences of TBI
Education and training lecture (one hour) for civilian mental health providers
Traumatic Brain Injury: An Overview, Its Consequences, and Coordinating Care, Center for Deployment Psychology
Rockville, MD
- 2007** Defense and Veterans Brain Injury Center and Neuropsychological Assessment of
Traumatic Brain Injury
Center for Deployment Health (Lecturer)
Uniformed Services University of the Health Sciences
Bethesda, MD

Professional Society Membership

American Psychological Association
International Neuropsychological Society

Professional Consultation/ Review Activities

Grant Review

- 2003 - 2007** Ad hoc reviewer:
Department of Veterans Affairs VA Cooperative Studies Program
Infectious Disease Clinical Research Program, USUHS
- 1997 – 2000** Ad hoc reviewer: Standard and Special Projects review sessions
NIH/NIDA AIDS Behavioral Research Subcommittee Grant Review
Panel
NIH/NIDA Basic Sciences Special Review Panel, Program Projects
Review Panel
Department of Veterans Affairs Special Review Panel, Parkinson's
Disease Research Education and Clinical Center Proposal
Review Panel

Consultation

- 1998** United Nations Joint Program on HIV/AIDS (UNAIDS). Cognitive and neuropsychological impairment in early HIV infection: Report of an expert consultation. Geneva, Switzerland: UNAIDS, 1998. (Consultant).
- 1994** Television Screening Committee
American Association for the Advancement of Science
Westinghouse Science Journalism Awards

Editorial Review

- 1994 - Pres.** *Ad hoc* review
Addiction; Annals of Behavioral Medicine; The Clinical Neuropsychologist;
Health Psychology The Journal of Clinical and Experimental Neuropsychology,
Journal of Head Trauma and Rehabilitation; The Journal of the International
Neuropsychological Society; The Journal of Neuropsychiatry and Clinical
Neurosciences; The Journal of Occupational Rehabilitation; Neuropsychiatry,

Neuropsychology, and Behavioral Neurology; Neuropsychology; Psychiatry:
Interpersonal and Biological Processes; Psychology and Health

1995 - 1999 Editorial Board Member:
Journal of Clinical and Experimental Neuropsychology
